

## Refrigeration / AirConditioning Installation Engineer

### **About the Job**

OPPORTUNITY: Your chance to join a rapidly growing company

POSITION: Commercial Refrigeration/ Air Conditioning Installation Engineer

SALARY: Negotiable (Door-to-Door pay) + Company vehicle + Overtime + Fuel Card + 20 days paid holiday (plus Bank Holidays) + Excellent prospects with a growing company.

LOCATION: Field based Nationwide , from time to time overseas.

EXPERIENCE: To be suitable for this role you must have the following experience:

- 1) Installation, service and repair Large Commercial Refrigeration and Air Conditioning.
- 2) FGAS Qualification C&G 2079
- 3) Full UK driving licence

THE ROLE: Working with a team of engineers to complete installations within the boundaries of contract constraints. Ensuring a high quality of workmanship and fast turn around. You could be installing anything from a simple 5kw wall mounted air conditioning unit up to a £2.1 million storage facility.

THE COMPANY: This family owned UK Company was established in 1975 and is grown from strength to strength over the years not through hard advertising but through word of mouth.

CONTACT: In the first instance please send your CV to Mr. Ian Nash M.D - [ian@imacooling.co.uk](mailto:ian@imacooling.co.uk)

ELIGIBILITY: All vacancies advertised are based in the UK. It is unlawful to employ a person who does not have permission to live and work in the UK and we will therefore only consider applications from candidates who are eligible to work in the EU.
